# Team Building

Over the past few years, PNCC had undertaken regular team building activities to make time and space for employees to bond. The activities were organized by a committee headed by Mr. Felix M. Erece, Jr., Head of Human Resource Division aimed at scouting the venue, planning and realizing the activities. The schedule of the 2020 Teambuilding was set on April 16-18, 2020 at Baler, Aurora Province. However, in view of the COVID-19 Pandemic, team building activities has been put on hold pursuant to the Joint Resolutions, Proclamation No. 922 (s. 2020) and Republic Act No. 11332, the company being a GOCC was informed of and directed to adopt, coordinate and implement the guidelines on the imposition of Stringent Social Distancing Measures. Mass gatherings especially non-essential work-related gatherings was prohibited. Further, an enhanced community quarantine was imposed over the entire National Capital Region where strict home quarantine was implemented in all households; transportation was suspended; a work from home scheme was implemented.

Upon the recommendation of the President and CEO, Miguel E. Umali, the PNCC Board approved that the budget allocated for the Company's Team Building activity was realigned in order to finance the anti-flu and anti-pneumonia vaccines to be administered to all employees and the members of the Board. The initiative was Management's precautionary measure in adopting to the new normal, ensuring in the process, the health, safety and well-being of all PNCC employees after the lifting of the quarantine in Metro Manila.
