CORPORATE GOVERNANCE. The course is a basic orientation on the concepts and applications of Corporate Governance (CG) as defined under pertinent legislation and administrative issuances in the Philippines. Directors and Key Officers of companies established and/or operating in the Philippines corporations will benefit from the course. First-time Directors and Key Officers, or persons who are about to be appointed as such in a Publicly-Listed Corporation, in particular, will meet the required training and basic orientation on CG. Beyond mere compliance, participants will benefit from practical frameworks and tools that can be employed inside their companies to employ CG as a means of promoting adherence to internal controls, preventing fraud, and developing a culture of good governance.

STRATEGIC PLANNING CONFERENCE. The Strategic Planning Conference is a workshop that covers the critical steps and processes for creating an effective strategic plan. It is designed to give you the tools needed to lead your organization through today's business environment and prepare for tomorrow's challenges. It will allow you to look back, align and recalibrate your plans within a set timeline. Through thorough analysis of the internal and external environment, aligned with the organization's vision and direction, leaders are able to craft strategies to prepare the organization for the everchanging future.
